2 THE ESPLANADE, PERTH

Welcome to a precinct where  
connection, culture, and  
community come together.

# More than a workplace.

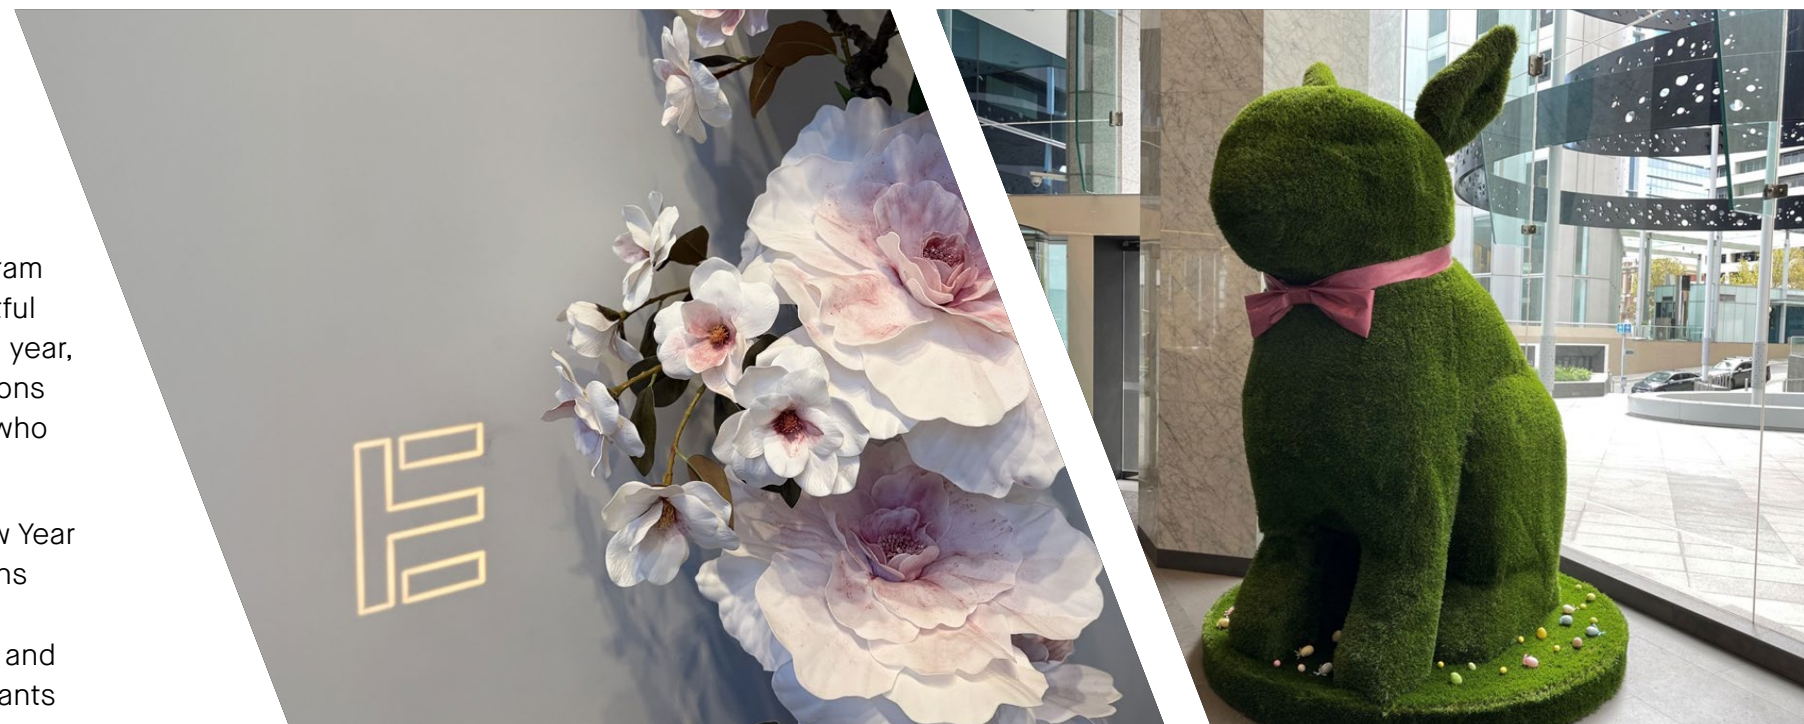

At Exchange Tower, we believe a workplace should be more than just where you work — it should be a place where you belong.

Our extensive tenant engagement program delivers over 20 interactive and thoughtful activations, events, and giveaways each year, designed to foster meaningful connections and create a vibrant atmosphere for all who work here.

From festive celebrations like Lunar New Year and NAIDOC Week to wellness activations and surprise giveaways, our events are curated to bring joy, spark conversation, and build a sense of shared experience. Tenants regularly mingle, celebrate, and collaborate—transforming the building into a dynamic hub of activity and engagement.

We proudly support and recognise charitable causes throughout the year, aligning with national awareness days such as International Women's Day, R U OK? Day, and International Volunteer Day\*. These initiatives reflect our commitment to social impact and help cultivate a culture of empathy and purpose within the precinct.

\*Each year the event program is subject to change.

Our Orbit tenant app makes it easy to stay connected and participate, while precinct retailers and partners contribute to the energy of the space with exclusive perks and activations.
